TRADING PLATFORMS

DTTPro is a state-of-the-art multi-asset trading platform that has redefined the landscape of online trading. Designed with precision and innovation, DTTPro empowers both novice and professional traders by offering a seamless blend of advanced functionality and user-friendly design.

What truly sets DTTPro apart is its suite of powerful tools and features; traders gain access to world-class charting tools that provide deep analytical insights, enabling more informed decision-making. Real-time market data ensures that users are always up to speed with the latest market movements, while institutional-grade execution guarantees lightning-fast order fulfillment with minimal slippage.

DTTPro is available on mobile and web.

DTTcoins global crypto exchange is the simplest and safest way to buy & sell bitcoin and 100+ cryptocurrencies. It was designed to provide crypto traders with the ultimate trading experience through its state-of-the-art and user-friendly platform and exceptional 24/7 support.

- Best bid/ask rates at any given time
- 100+ coins to trade
- User-friendly platform
- Institutional-grade execution
- Swift deposits & withdrawals
- World-class charts & indicators

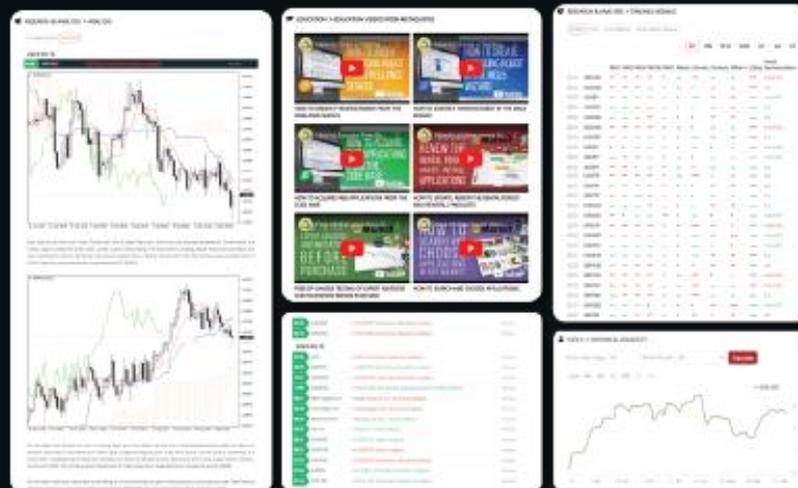

GLOBAL DTT PRODUCTS

DTT Plus is a comprehensive online research center that empowers clients with the insights and tools needed for confident financial decisions.

It provides daily access to institutional-grade research and market analysis, keeping traders informed of key trends and movements. An integrated economic calendar highlights major upcoming events, while a range of educational resources supports traders at all levels. Intelligent trading tools deliver data-driven insights to enhance strategy and execution.

Whether tracking markets, analyzing economic indicators, or refining trading skills, DTT Plus is a powerful all-in-one resource for every stage of your investment journey.

Trend-catcher is one of most tested systems to define trends in the market. It is an algorithmic indicator exclusive to Global DTT MT4 systems and is designed to help you identify the trends in the market.

- Free to Global DTT clients
- Extremely user-friendly
- Works on over 40 forex pairs, oil, and gold
- 80% success rate

With Global DTT's signature Visa Card, exclusive to our clients, you can now withdraw funds from any of your Global DTT accounts instantly to your card.

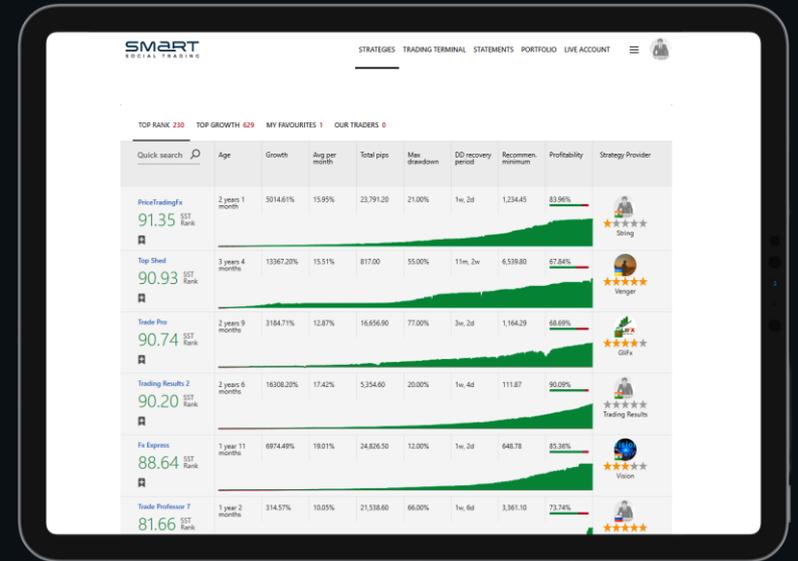

You can also use your card at any:

- Point of Sale
- ATM machine

Global DTT's Smart Social Trading enables investors to select from a range of +300 strategy providers and copy/mirror trades automatically in their own accounts.

This unique platform allows traders to limit the losses, while at the same time gives full control of their portfolio as trades will be copied either proportionally or according to the trader's personal settings.
