

KYC Policy

DO NOT USE any of the DTTPro services if you are on the Specially Designated Nationals (SDN) List of the Office of Foreign Assets Control (OFAC) or any other sanctions list or if you are otherwise a sanctioned person or from a sanctioned jurisdiction.

Customer security is a key consideration for DTTPro and we take our commitment to safeguarding our client best interests extremely seriously.

We have implemented a series of KYC (Know Your Client) procedures designed to secure the private information of our clients while keeping company in line with compliance best practices and policies. These are aimed at preventing any instances of identity theft, money laundering, fraud or terror activity.

We operate on a strict Zero Tolerance basis. Any fraudulent activity will be documented and will result in the immediate closure of any trading accounts related to such activity. Funds deposited in any such accounts will be forfeited.

These procedures secure your personal data and your financial transactions remain secure. Without completing our KYC procedures, your trading activity will be limited, and you will not be able to withdraw funds from your account.
